

ECO-SERIES SHELVING

Your space, your way

Work Trucks Plus' adjustable Eco-Series Shelving allows you to customize your van interior to match your unique job functions. This line of industrial-grade shelving features popular accessories such as storage bins, drawer units, locking and non-locking horizontal doors, as well as low profile and deep-lip shelves. Our latest design increases the strength of the shelving while using lighter weight material, resulting in greater fuel efficiency.

FEATURES

- Shelves adjustable in 1.5" increments
- Three styles to choose from:
 - 20 ga Galvanized Steel
 - 20 ga Powder Coated Steel
 - 14 ga Aluminum
- Pre-punched for easy accessory attachment
- One-inch lip keeps items contained during transportation
- 100% hemmed shelves
 - no sharp edges
- Tapered end panels fit flush to van interior to maximize space
- Best-in-class, 6 year replacement warranty
- Light weight, maximum strength
