NO COMPROMISE

At Work Trucks Plus, our engineers set out to create a service body that was **good for the environment** without giving up **durability, quality and design integrity**. And we did it. We call it... PRO-TRADE-LITE.

- 5052-H32 grade aluminum body
- 45% lighter than steel
- Increased fuel efficiency
- More payload capacity
- Corrosion resistant
- Recyclable, unlike fiberglass
- Modular design – reduces replacement costs after an accident

ENVIRONMENTALLY FRIENDLY

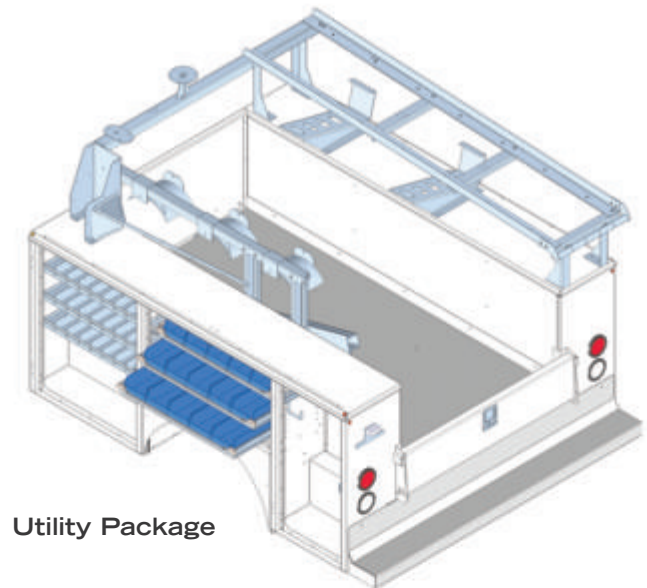

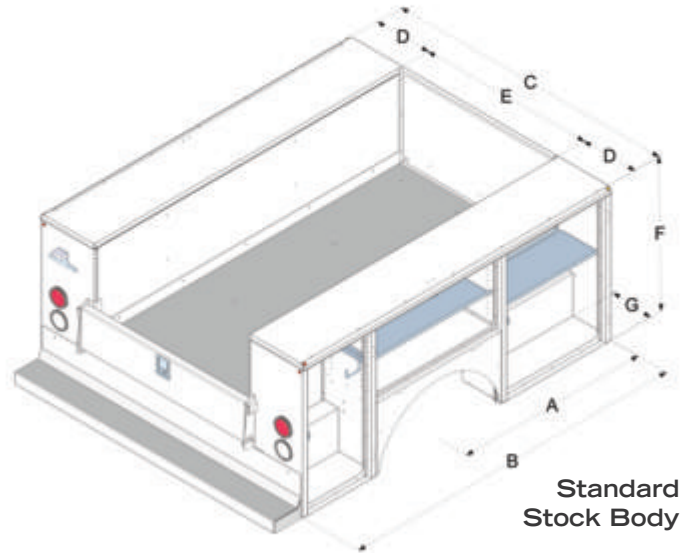

Not only is the Pro-Trade Lite constructed with lighter, recyclable aluminum, the manufacturing process also reduces the impact on the environment. Work Trucks Plus' powder coat process reduces VOC's compared to wet paint applications and our precision three-step bonding process significantly minimizes the environmental impact of welding.

Standard Features

	Rugged, corrosion-resistant 5052-H32 grade aluminum body. Remarkably, the 56 CA model weighs less than 725 lbs. (40 CA also available)
	OEM Slam Tailgate – Double panel tailgate opens 90° to facilitate loading. Folds down 180° for easy entry.
	Stainless Steel Two-Stage Rotary Latches – Rust-resistant, premium lock provides enhanced security over spring-bolt latches.
	Stainless Steel Strap Hinges – Durable hinges mounted with stainless steel hardware offers advanced corrosion protection.
	Double Skinned Reinforced Doors – Sturdy, flush mounted doors are reinforced at hinges, latches and welded at corners for additional stability.
	Neoprene Bulb Seal & Full Length Drip Rail – These features minimize moisture content inside of cabinets.
	LED Lighting – Longer-lasting, brighter and energy efficient lights provide enhanced safety.
	Powder Coat Finish – Environmentally friendly, durable finish.
	Fully-Integrated Bumper – Added strength, accessibility and safety features.

Part #	Description	A	B	C	D	E	F	G	Cabinet Volume	Base Weight
SB56SRW	56"CA, Single Rear Wheel	54"	97"	82"	16.5"	49"	42"	10"	51 cu.ft.	721 lbs
SB40SRW	40"CA, Single Rear Wheel	38"	81"	82"	16.5"	49"	42"	10"	41 cu.ft.	672 lbs

Optional Features

Tailor for any job

- Bumpers
